

As our lake community prepares for another great year of camping, we would like to announce that our website: www.poplarbeach.ca is now accepting advertising for the 2010/2011 year. For \$200 (less than \$20/month) we will feature your company name, logo and a link to your webpage on the home page of our website for the entire year!

Poplar Beach Campground, located at Wakaw Lake Saskatchewan, consists of 135 campground owners who purchased the property in 2008. POPLAR BEACH CAMPGROUND OWNERS CORP. (PBCOC) is a non-profit corporation registered in the province of Saskatchewan.

Our website is the communication hub for all of our members; it will be accessed by our members and their families continuously throughout the year. We have a great lake community and are community minded, therefore, the businesses that advertise on our website will be supported in return.

There are only a limited number of advertising spaces available, get yours now by contacting:
